- Take \$15 off per week

Key Activities: Swimming (2x per week) Sports & Games
Field Trips (1 Trip per week) Theme Weeks
Arts & Crafts Music & Drama
Playground Game Room

F.A.Q.s

How does swimming work?

On the first trip to the pool each session, our Bar-T staff work with the pool's guard staff to evaluate each camper's swim level. Campers are either given a green wristband, which allows them to swim in any area of the pool, or a red wristband, which allows them to swim only in the shallow areas of the pool, based upon our guard's assessment of the camper's swimming abilities. Bar-T works to ensure that each of the pools has an experienced team of lifeguards who oversee all pool activities and allow our group counselors to act as additional lookouts or be in the pool interacting with the kids.

How are the campers placed into groups?

Campers are grouped according to gender. General group sizes range between 14 and 18 campers with 2 Bar-T Counselors (ratios of 1 to 10 or better at all times).

Who are the Bar-T staff?

Our Director, Harriet LeJuene, has been with Bar-T for more than 10 years. During the school year, she directs our before-and-after school program at Belmont Elementary (just down the road from St. John's). The foundation of Harriet's staff are child care and summer fun professionals that work with Bar-T on a year round basis.
