About St. John's:

The spirit of St. John's comes alive in the relationships and friendships that flourish in the classrooms, the gymnasium, on the athletic fields, and throughout the campus. The St. John's experience inspires and guides our students towards a successful life filled with meaning, purpose, and confidence in the world they will inherit.

Please consider playing in and/or sponsoring our 17th Annual Golf Outing. In turn, you will be supporting our mission to graduate students of Academics, Character, and Faith.

Most sincerely,
Thomas R. Stevens
Head of School

About Our Event:

The spirit of our golf outing is to take an afternoon of our time to relax and enjoy the friends, both old and new, we have made here at St. John's.

The golf play is in "scramble" form, so no pressure! Need a Mulligan? Have to straighten out that drive? We have ways to "improve" your play!

We have something for everyone, not only on the playing field but later in the evening, as we gather with our families for dinner and share in the laughter and memories made!

Looking forward to seeing you there,
Bernard Middleton & Ed Biggin
Co-Chairpersons
